Loving hands ♥ hearts ♥ minds

A Message from Mrs Waterworth

Thank you so much for all your donations and to those of you that could join us for the MacMillan Coffee morning. It was lovely to see a great cause being supported. So far we have raised a total of £524.14 for Macmillan.

Illness/Flu/Covid

As the weather changes, we anticipate that there will be more bugs, runny noses and general cold like symptoms, which may include positive cases of Covid. There is no requirement for children to self-isolate if you choose to test for Covid and the result is positive. We ask that if your child has a high temperature of 37.8 or above, that they stay at home. However, if your child is feeling well, but has a runny nose or cough or generally presents with cold-like symptoms, even with a positive covid result, they are still able to come to school.

God Bless, Mrs Waterworth

This week's scripture and Gospel Assembly

"The Kingdom of Heaven is like a master going out in the morning to hire workers for his vineyard."

Matthew 20: 1-35

In this week's Gospel assembly, Miss Gibbons focused the children's minds on the word, 'Generosity'.

New information about Birthdays

We would like to introduce a new initiative for celebrating children's birthdays. As we are a healthy school, we discourage children from bringing in sweet treats for their class. Instead we are inviting all children (if they wish) to come dressed in their own clothes on the day of their birthday. If their birthday falls on a weekend or during a school holiday, your child can come dressed in their own clothes on the Monday or Friday (closest to their birthday). Also, if you would like to send something to mark your child's birthday, you could donate a book to the class library and write a message from your child inside the front cover.
