Family Fashion

On Thursday, the Year 3 parents came in to help their children to upcycle clothes as part of their Fashion IPC topic, recycling old materials to create a unique piece of clothing that was worn during their fabulous fashion show this afternoon.

Gymtastic

The children took part in a Gymnastics competition this week. This was a very difficult competition as the children had some sequences they had to remember but our children made us very proud, especially Nifemi who won a Silver Medal. Super gymnastics!

Fantastic Football

Well done to the school football team who competed against Holy Name yesterday. In an exciting game at Loreto High school, St. Ambrose managed to win 4 -1. The team demonstrated great skill and commitment.

World Book Day

St. Ambrose will be celebrating World Book Day next week, on Tuesday 5th March and we would like everyone to dress up again as a character from a book. This date is different to the National World Book day. We look forward to seeing many wonderful costumes.

Gospel Assembly

On Monday, children from Y6 led the Gospel assembly about Kindness. They shared Jesus' teaching of how we should love others; even those who we may find difficult. They challenged everyone to act out this message and reminded everyone of what kindness can be.

Rights Assembly

On Thursday, Y6 led the Rights Respecting Assembly and focused on the right to extra money if your family does not have enough to live on.

The children shared information that they had researched and how we can help those who are less fortunate.

SATS Booster

A great turn out from Y6 for the booster sessions this week. Well done to all those who attended.
