Weekly Newsletter

Up, Up and Away

On Thursday, Year 3 visited Manchester airport as part of their IPC topic: 'Gateways to the World'. The children had the opportunity to explore the types of jobs at the airport and board an aeroplane and were talked through the controls.

Amazing Artists

Year 4 had a fabulous time at Whitworth gallery yesterday studying artists work. They searched for volcano like shapes and ideas within the works of art and then sketched them. Year 4 also learned new skills including sketching and sewing.

Exit Point Exhibition

On Monday, Year 6 held an exhibition of their learning from their IPC topic- The Great, The Bold and The Brave. They re-enacted battles, shared information and even did clay modelling in an interactive exhibit. Thank you to all the parents who attended.

Friday 8th March 2019

Dates for the Diary

Monday 11th March
Gospel Assembly - Year 3
Thursday 13th March
Science Assembly 2:30

Y4	Syrok	Logan	Eva
Y5	Sky	Nathan	David
Y6	Matthew	Lily	Yasmin

A = Achievement
C = Commitment
E = Effort

Awesome Attendance

150 children left school today with an extra wide smile on their faces after receiving their ice-cream reward for being in school every day for the month of February. This is 21 children more than January which is a fantastic effort. Can we beat that figure for March?

Fantastic Football

Well done to the girls' football team who played their final 3 games in the South Manchester football league. They won one, drew one and lost one.

They have played many games during the academic year and have been great- well done!

Assemblies

On Thursday, Y1 led the Rights Respecting Assembly and focused on the right to be heard and gave examples on when we should give our opinion and when not to.

On Monday, children from Y5 and Y6 led the Gospel assembly about hypocrisy.

Science Week

Next week is British Science week. The children will be doing some exciting workshops

World Book Day 2019

On Tuesday the children celebrated World Book day by doing a variety of activities and dressing up as a character from a book.

The costumes were fabulous and we would like to thank all the children and parents for making an extra special effort.

Well done to the winners from each class!

Reading Challenge

1. Were there more or less children who had 100% attendance in February compared to January and by how much?
2. Why did St. Ambrose have their Book Day on Tuesday and not on Thursday?

Maths Challenge

Ones and twos

Holly has six numbers, three 1s and three 2s. She also has lots of + signs, x signs and = signs.

1 2 1 2 1 2

She is trying to make the biggest number possible. Here are some she tried.

First try

$$1 \times 2 = 2$$

$$1 \times 2 = 2$$

$$1 \times 2 = 2$$

$$2 + 2 = 2 = 6$$

Second try

$$1 + 2 + 1 + 2 + 1 + 2 = 9$$

Can you beat Holly's score?

What if Holly had three 2s and three 3s?
