Year 5 Trip

Year 5 had a fantastic time on Tuesday at Jodrell Bank. They were discovering all about Outer Space and asked some amazing questions about black holes, supernovas and the make up of the planets which linked to their science learning in class.

Community Commitment

Some of our school children and parents went to help in our local community on Thursday by planting bulbs at The Den. The children are committed to helping the community each week.

Growing in Faith Together

Well done to the children who have been commissioned to be on the school GIFT (Growing in Faith Together) team. We know they will be excellent ambassadors for the school and they will wear their purple jumpers with pride.

Stay and Play

A reminder that Stay and Play sessions for children aged 0 -5 are on every Tuesday at 9:00am. It's great fun and the numbers are increasing.

Gospel Assembly

This week, Year 2 led the Gospel assembly and focused on 'finding glimpses of God.' The class encouraged all children to reflect on where they would see 'glimpses of God' in day to day life and how we could share that with others.

Rights Assembly

Yesterday, Year 4 reminded the school of the right to life and to be healthy. They shared with everyone what is required for a child to have a healthy lifestyle and the impact it has on their education.
