Dear Parents and families of St Ambrose,

This term, school has appeared in the press, on social media and TV. We have continued our campaign against air pollution and have attracted a significant following and support. Every child has written a letter to their MP, raising concerns and asking for something to be done about the poor air quality we experience on Princess Parkway.

I am delighted to inform you that before the end of the summer term, a two metre high 'Green Screen' will be installed down the entire perimeter boundary of school and the road. This is proven to remove a high percentage of the damaging particulates from exhaust fumes and thus reducing the damaging effect of polluted air. Although it does not solve the bigger problem, it *will* have a significant impact on the air quality our children breathe as they play outside. It is an amazing success for St Ambrose. Thank you and well done to everyone who has played their part in bringing about this significant improvement.

In school's successful Ofsted inspection last year, the one area we needed to improve upon - was attendance. In this morning's assembly, it was extremely rewarding to congratulate so many children achieving 100% attendance. Thank you to all families for your support and commitment.

This holiest of all weeks has challenged us all to dig deeper and reach higher and the children have led the way. This morning, Y5 staged a quite remarkable and moving 'Passion of Christ'. We are very proud of their work and the contribution of the whole school in the climax of what has been a creative and thought provoking week.

Leading Parent Partnership Award

2017-2020

The message of Holy Week is universal and for all humanity. It is a message that personal reflection, saying sorry, deciding to do better and committing to help one another gives us hope for the future. It is a message that the love of God is for all people, belief and tradition.

I wish you a relaxing and peaceful Easter holiday and look forward to seeing you all again on Monday 29th April at 8.45am.

Mrs Ruth Vayro
