Welcome Back

We hope everyone had an enjoyable half term. It was great to see all of the children back in school this week. We began the week with the children having their class and team photos taken. These will be distributed to parents as soon as we receive them so that you have the option to buy them. We have a very busy half term ahead at St. Ambrose and each class will be sending home their 'sharing our learning letter' which will give parents an insight into what the children will be learning.

Healthy Eating

On Thursday afternoon, Year 3 and the UNICEF Ambassadors led a range of activities as part of Healthy Eating week. Each year group got a chance to sample some exotic fruits and infused water, make fruit kebabs and take part in a quiz about healthy eating. The UNICEF ambassadors finished the afternoon with an assembly about the five areas of healthy eating: Have breakfast, drink plenty, have 5 a day, sleep well and get active.

Wagamama Trip

On Thursday, Year 3 visited Wagamama restaurant as part of their IPC topic, 'What's on the menu?' They helped the chefs to prep the food and made fresh fruit juice before eating a delicious and healthy meal. They learned the importance of fresh, healthy ingredients and how a restaurant runs.

RSE

Over the next couple of weeks, KS1 and KS2 will receive RSE lessons using the Growing and Changing Together scheme of learning. There is no change to our curriculum since last year but if you would like to speak to someone about this, please contact the school office to make an appointment.

A'May'zing Attendance

142 children left school today with an extra wide smile on their faces after receiving their ice-cream reward for being in school every day for the month of May - well done. This is 4 more children than April but we want to get above 150 children with 100% for the month of June.
