100% Attendance

Well done to the children who have 100% attendance for February. We are sure that all the 118 children who did not have a day off will enjoy their well-deserved ice-cream reward. Let's aim to have over 130 children enjoying an ice-cream in March.

Gospel Assembly

On Monday, children from the GIFT team and Mrs Murphy led the Gospel assembly about loving your enemy. The children were challenged to show God's love to everyone this week, including those who we might not like as much as others.

Bernard's Blog

The latest instalment of Bernard's blog is now on the school website. Go and see which book from the fabulous book displays on the corridor, Bernard has been reading and what he thought about the wonderful learning the children have produced.

World Book Day

St. Ambrose will be celebrating World Book Day next week, on Thursday 5th March and we would like everyone to dress up again as a character from a book. The children will do a variety of activities and we look forward to seeing many wonderful costumes.

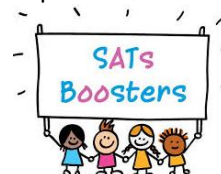

Amazing Animators

This week a new and exciting club began. The Stop-motion animation club, led by Miss Jameson, was a huge success as children developed their creative and computing skills. The children used the school laptops and created their own animations using Pivot.

SATS Booster Sessions

Next week, SAT's booster sessions will begin for Year 6 children. There will be a maths session on Tuesday, 3:15pm - 4:15pm and an English booster session on a Thursday 8:10am - 8:45am. We hope to see as many Year 6 children as possible, attend.
