Dear Parents/Carers,

As you are aware at this current time, following government guidance, school is remaining open. However as a school we are preparing in case the government enforce a closure.

In the event of a closure we understand that families may struggle financially through this time. If your child receives free school meals and you would like to collect a packed lunch each day during the closure from school, please complete the slip below and return to the school office as soon as possible so we know how many to provide. **Please note this is only available to children receiving free school meals under the UIFSM scheme or PPG Free School Meals.**

Yours Sincerley

I would/ would not like my child _____ to be provided with a free packed lunch in the event of an enforced school closure and I understand this will need to be collected from school each day by someone that is not in self isolation.
