# Weekly Newsletter

## Coronavirus update

Yesterday a home learning pack was sent home. This is so that your child can continue with their learning whilst the school is closed. The paper based pack is only part of the home learning that the children are expected to complete during their time out of school. In addition, there is online learning for the children to complete. Your child will have logins for the different platforms that your child can access and the list of learning for the children is on the 'Home Learning' letter.

One of the main forms of remote learning will be through Purple Mash. Each child, from Years 1 - 6, have their own account and will have learning set for them by their class teacher. Once your child completes their learning on Purple Mash, they will be able to post it on their class display board (in Purple Mash) for their teacher to view.

If you have any queries about the home learning, email [Schoolcommunication@st-ambrose.manchester.sch.uk](mailto:Schoolcommunication@st-ambrose.manchester.sch.uk)

We understand that this is a difficult and challenging time for everyone and we appreciate your full support in ensuring that children keep up with their learning.

Friday 20th  
March 2020

If you haven't already done so please download the school spider app for free from Google Play or The Apple App Store by searching School Spider. Once you have downloaded the app select St Ambrose - this will enable you to view messages and news items to your phone.

**Attendance**  
Reception & Yr 6  
**Punctuality**  
Nursery & Year 6  
**Food Waste**  
Year 5

## Healthy Hygiene

On Monday, the school nurse delivered a personal hygiene lesson to Years 5 and 6.

The children learned what they need to do to stay clean and how often they need to do it. They demonstrated a genuine interest and showed how knowledgeable they already are.

## Numbots

The children are now signed up to Numbots - a maths app that focuses on addition and subtraction.

Just download the app and children can log on by first entering their school and then using their username and password (the same one as Times table Rockstars).

## Happy Mother's Day

This week, the children enjoyed using their creative and artistic skills in making Mother's Day Cards.

We hope that they bring a smile to everyone who receives a card and we hope that the children make a special fuss of their Mums and families on Sunday.

### This week's ACE awards

	A	C	E
N	Lenny	Iliza	Charlotte
R	Josie	Talia	Evita
Y	Renae	Isaac	Eabha

# CAFOD Football Day

On Wednesday, the children in St. Ambrose looked very sporty and enjoyed football themed activities throughout the day. The reason was to raise money for the 'What's Your Goal?' CAFOD campaign.

This is to support our 'common home' and the people who live in the Amazon region as deforestation is causing terrific harm to our planet. More than one football pitch of rainforest is being lost every minute.

Thank you for your generous donations and as a school we managed to raise £183.10 and we hope that this will help communities in the Amazon to defend their land and save their home.

## Reading Challenge

1. Who did the children raise money for on Wednesday?
2. What were Year 5 and Year 6 learning about on Monday?
3. Where will children be given electronic tasks to complete?
4. Find a word that means liked.

## Maths Challenge

HAPPY ST. PATRICK'S DAY!

$$3 + 17 + 1 = 21$$

$$13 = 10 + 3 + 3$$

$$10 + 5 = 15 + 4$$

$$10 + 5 = 15 + 9$$

$$? = 10 + 10 + 10 + 10 + 10$$
