Gospel Assembly

On Monday, Year 1 and Mrs Murphy led the Gospel assembly and focused on forgiveness. The children listened to the story of the Prodigal Son and reflected on in this time of Lent, how we can be more forgiving to those around us and show love to one another.

Blue and Yellow

Today, the children looked different whilst in their colours of Ukraine. This was to raise money to aid those affected by the current war. Thank you to everyone who has donated and to Year 5 for raising more money by doing a cake sale during break time. We have raised over £250 and still counting.

Tremendous Gymnasts

We are super proud of our school gymnasts who competed in a competition on Tuesday. UKS2 finished 3rd and LKS2 and KS1 finished 2nd which meant every child from St. Ambrose won a medal. This is an amazing achievement and well deserved after all the practice the children have done since Christmas.

Awesome Attendance

The weather may have turned cold towards the end of the week but that hasn't stopped the children who had 100% attendance for March from enjoying their ice-pop reward. It is brilliant to have so many children achieving 100% attendance and we hope that there will be even more children achieving this at the end of April.

Parents' Evening

Thank you to all the parents who attended Parents' Evening yesterday, it was great to see so many at school and discuss the progress of your children with the teachers. If you have not managed to meet with the class teacher, you can still do so. Please contact the school to arrange a meeting to discuss the progress of your child.

Fantastic Football

Great news for the school football team who have qualified for the knockout stages of the Manchester Boys Football League by finishing second in their group. They have been drawn away to St. Marys Levenshulme and we wish them the best of luck when the fixture is played.

Attendance Matters

Class	Percentage Attendance
EYFS	93.2%
Year 1	98.4%
Year 2	98.1%
Year 3	96.4%
Year 4	92.8%

Well done to **Year 1** who had the best attendance this week and to **Year 6** who had the best punctuality this week. **Well done!**

The 'Eat for Need and not for Greed winner this week is Year 5

Loreto Walk

We had a visit from our friends at Loreto High school on Thursday. A group of pupils were doing a 'walk against hunger' to help raise awareness and money for this CAFOD campaign. They visited many local primary schools and it was great to hear how another school is helping those in need.

Happy Birthday this week to:

Loving Our Learning

I ♥ learning

It has been another wonderful week at St. Ambrose and we are proud of the children and their learning. You can see more pictures of their learning on our social media pages.

Early Years loved helping each other as part of their RE learning.

Year 1 loved visiting church and learning about the Last Supper.

Year 2 loved learning about the longest rivers in the 4 UK countries.

Year 3 loved learning about fractions in maths this week.

Year 4 loved making a night light as part of their DT project.

Year 5 loved programming in DT to make an alarm that detects motion.

The children loved coming to school in the colours of Ukraine.

Year 6 loved composing and playing their own music on the xylophone.

Thank you for all your kind donations and money sent in to support a good cause.
