## Gospel Assembly

We began the week at St. Ambrose with a Gospel Assembly which was led by Year 2 and Miss Barnett. The assembly focussed on Jesus' resurrection and how important faith and belief is. This week's challenge to the children was how can they show faith and belief towards one another?

## Punctuality

Thank you to all the parents who continually ensure their children are at school for **8:45am** each day. It is vital that children are punctual and ready for the school day. The gates are locked at 8:50 am, so if you're late, you will need to come to the main school entrance with your child.

## Bank Holiday Monday

St. Ambrose will be closed on Monday as it is a bank holiday.

We hope you and your children enjoy your extra day off school this weekend and we will be open again on Tuesday 3<sup>rd</sup> May at **8:45 am** to see all the children's smiling faces again.

Friday 29<sup>th</sup> April 2022

We will provide a breakfast club for all Year 6 children for those 4 days and the children will be expected to come into school at 8:20 am. This is so that they are able to best prepare for the tests as possible.

## Stay and Play

We were delighted that 'Stay and Play' returned this Wednesday at St. Ambrose after the Easter break. It was fantastic to see parents and young children together in the group.

Stay and Play is on every Wednesday, 9 am - 11 am, for 0 - 5 year olds. There is no need to book just come along and join us to have fun with your child in school.

# Loving Our Learning

It has been another wonderful week at St. Ambrose and we are proud of the children and their learning. You can see more pictures of their learning on our social media pages.

Early Years loved learning about Greta Thunberg and went on their own protest.

Year 1 loved learning about the Queen's Jubilee in art this week.

Y2 loved exploring pop art and the colour wheel in art.

Year 3 loved a workshop about History and created their own timeline.

Year 4 also loved creating Easter cards in French.

Year 5 loved doing vector drawing as part of their new topic in computing.

We think someone enjoyed having their tummy rubbed.

Year 6 loved being active in their break times and played dodgeball.

Enjoy a restful (and hopefully sunny) bank holiday weekend.
