## Royal Jubilee Celebration

What a way to end a half term! A celebration fit for royalty and one that the queen attended herself (well done Lily).

In preparation, the children have been learning about the Queen's Jubilee this week in their classes and enjoyed a wonderful celebration this afternoon. It was great to see the school bathed in red, white and blue with kings and queens parading around the classrooms

Thank you to all the parents who came along and joined in with the celebrations.

## Amazing Art Exhibition

This week, the hall has been taken over by some tremendous art to celebrate the Queen's jubilee. We are very proud of the learning that all the children have done and the exhibition demonstrates the wonderful ability of our children.

Thank you to all those who came to visit the exhibition and make the children even prouder of their masterpieces.

## Jubilee Home learning

The children were asked to interview family members about any memories of royal events and to bring photos or memorabilia to share at school. Our children did not disappoint and it was fascinating to read all about people's memories and share them with others.

## Tremendous Triathletes

Well done to our group of triathletes who swam, biked and ran as part of the Brownlee Brothers Triathlon festival.

Every child from St. Ambrose was amazing and enjoyed competing in a different sport and gaining a new experience. A great effort everyone!

## Fantastic Football

Children from Year 4 and 5 competed in a MUFC tournament at The Cliff training ground. Demonstrating great skill and attitude, our team finished second overall (only 1 point behind the winners). We are very proud of the way they represented the school. Well done!
