Weekly Newsletter

Welcome Back

It is wonderful to have all the children back in school this week as the school has not felt the same since March.

There have been a number of changes to ensure St. Ambrose is Covid secure and the children have quickly adapted to some new systems and times in school.

Thank you to all the parents for your support.

Smart on the Outside!

The children looked fantastic this week when returning to school in their school uniforms. The children looked smart on the outside and we look forward to seeing them shine and be smart on the inside. If you need to purchase a uniform, details can be found on the school uniform page on the school website.

Meet the Teacher

This year, the meet the teachers meetings will not happen due to Covid-19. Instead, each class teacher has put on their class page a 'Meet the Teacher' PowerPoint (with commentary). These share information about each year group and what the expectations are for your child in that class. If you have any further questions, please contact the school.

Friday 4th

Happy Birthday

Adam & Anyah

Please remember to order your child's school lunches everyday before 8:55am using their school grid account.

Punctuality

Attendance and punctuality are more important than ever as the children return to school.

A reminder that school starts at **8:45am** for **Reception, Y2, Y4 and Y6** and finishes at **3:15pm**

Nursery, Y1, Y3 and Y5 start at **8:55am** and finish at **3:25pm**.

Assemblies

As much as we enjoy parents coming into school and enjoying assemblies, unfortunately we can't allow parents into school due to Covid -19. The children will attend 1 assembly a week and if they receive an award or certificate, it will be on the weekly newsletter.

After School Activities

Breakfast Club and After School club will be available for children to attend. However, there is a maximum number we can have and places need to be booked at least **24 hours** in advance.

Regarding extra-curricular activities (including sport), there will sadly be none on offer this half term.

Please can we remind all parents to download the School Spider app. The app will allow easy access to all school information from

anywhere on your mobile phone. School Spider will now be used to send all messages and letters home, bookings for clubs and parents' evenings, payments for all school activities, permissions for school trips and extra-curricular activities. If you do not download the app you may miss out on important information regarding your child's education.

School Spider

Home Learning

Starting next week, the children from Year 1 to Year 6 will receive the following home learning: Reading - daily, Spellings - weekly, Maths and English home learning - sent home each week on a Thursday and returned on Tuesday. Children will also receive additional home learning on occasions for different subjects which will be more creative. Thank you in advance for your support
